## RWMS29

### Dry Materials Vacpower

Hardwall corrugated hose for suction of abrasive materials such as rocks, waste, debris, etc, found in harsh conditions. Ideal also for industrial cleaning applications.

Specifically designed for suction excavators with mechanical arm.

|                       |  |
|-----------------------|--|
| <b>Tube:</b>          | Black, smooth anti-static synthetic rubber compound offering excellent wear resistance |
| <b>Cover:</b>         | Black, corrugated wrapped rubber finish, abrasion and weather resistant                |
| <b>Reinforcement:</b> | High strength synthetic cord plus embedded steel helix wire                            |
| <b>Temperature:</b>   | -30°C to +70°C   |
